RDCP Acquisition of a controlling stake in CapitalGro (Pty) Ltd and withdrawal of cautionary announcement

1. Introduction

Unitholders of RDC Properties Limited ("the Company") are referred to the cautionary announcement released on 07 August 2017, and the renewal of the cautionary announcement on the following dates:

- •25 August 2017;
- •14 September 2017;
- •05 October 2017; and
- •26 October 2017;

regarding the proposed acquisition of a stake in a foreign commercial property portfolio. The Board of Directors of the Company has informed Unitholders that the Company has concluded an agreement to purchase a 34.85% controlling stake in the issued share capital of Capitalgro (Proprietary) Limited ("Capitalgro"), a company incorporated in the Republic of South Africa. In terms of the agreement the Company will acquire the 34.85% controlling stake for the consideration of R50.9 million, effective 15November 2017.

2. Acquisition of controlling stake in Capitalgro

2.1. Nature of Capitalgro's business and management

Capitalgro is a property loan stock company registered in South Africa, and structured to

hold commercial property for the benefit of its shareholders. Capitalgro provides investors

with a stable income which is distributed six monthly in arrears, and capital growth as determined by the increasing asset value of the portfolio. Capitalgro has a focus on properties in the Western Cape. It owns four properties in the Cape Town area: a shopping centre in Westlake, two commercial properties in Sea Point and sectional title commercial

space in Tygervalley. As at 28 February 2017 the Capitalgro property portfolio was valued at R321.5 million. Capitalgro is managed by an independent company called Capitalgro

Asset Management (Pty) Ltd, which serves as the asset manager. The executive directors of the asset manager are experienced property professionals and have a broad knowledge of the local market. The Chairman of RDC Properties Limited will be joining the Board of Capitalgro with immediate effect.

2.2. Rationale for the acquisition

The Company has over the past few years embarked on a regional expansion strategy, which includes identifying local partners. Acquiring a controlling stake in a yield-enhancing portfolio in South Africa, with a strong management team, fits into this plan. The already established Capitalgro portfolio is expected to immediately increase the distribution yield of the Company. This is the Company's first major step in growing its presence outside the Botswana borders. Acquiring this stake in the Capitalgro portfolio is an exciting opportunity to grow the Capitalgro portfolio and continue to diversify the Company's geographical presence and to cement its presence in South Africa. The participation of the Company will considerably strengthen Capitalgro as Capitalgro is seeking to grow through the acquisition of new investment properties.

3. Withdrawal of Cautionary

Further to the cautionary announcement dated on 07 August 2017, and the renewal of the cautionary announcement on the following dates:

- •25 August2017;
- •14 September 2017;
- •05 October 2017; and
- •26 October 2017.

Unitholders are advised that they no longer need to exercise caution when dealing in the Company's securities.

RDCP Cautionary Announcement – Potential Capitalgro (Pty) Ltd Share Issue

On the 13th November 2017, RDC Properties Limited ("the Company" or RDCP") issued a

Withdrawal of Cautionary announcement, where the Board of Directors of the Company informed Unitholders that the Company has concluded an agreement to purchase a 34.85% controlling stake in the issued share capital of Capitalgro (Proprietary) Limited ("Capitalgro"), a company incorporated in the Republic of South Africa. Subsequent to the Withdrawal of Cautionary announcement, Capitalgro has entered into a Sale of Rental Enterprise Agreement for the purchase of a large commercial building and the related land, subject to the successful completion of a due diligence process.

Details of Transaction and Capitalgro share issue

Capitalgro has entered into a sale agreement to purchase The Edge, a new state of the art nine storey commercial building located at the entrance to the Tyger Falls precinct on the Tyger Valley Waterfront. RDCP states that the Edge is a high quality AAA grade office development and has been awarded a 5-Star rating by the Green Building Council of South Africa, making it an attractive, energy efficient alternative for tenants in an environment of rapidly escalating energy costs. The property enjoys excellent access to shops, restaurants and fitness facilities, and is on the doorstep of the precinct's ever expanding urban village residential living environment. Its 'blue-chip' tenants include Mercantile Bank, Distell, Sanlam, PSG and several other professional business enterprises.

The purchase price of The Edge is R300 million plus acquisition costs. The Company has already received an indicative term sheet from one of the major commercial banks for a non-recourse loan equal to 60% of the value of the property. RDCP will participate to an issue of new shares by Capitalgro which will result in RDCP securing a shareholding in Capitalgro in excess of 50% of the issued share capital. On the basis of a successful share allotment, the shareholder funding will be employed to complete the acquisition, subject to fulfilment of the conditions precedent embodied in the sale agreement, including conclusion of the due diligence investigation to the satisfaction of the purchaser and securing the funding. The effective date of transfer is expected in Quarter 1 2018. This acquisition will increase the value of the Capitalgro portfolio by more than 90% and its strong cash flows will bring stability to the portfolio with premium tenants being able to weather difficult trading conditions. RDCP further states that the initial yield reflects the exceptional calibre of the building, and the rentals are contractually bound to increase which creates excellent growth prospects. Visit: www.at-the-edge.co.za for a 'tour' of the property.

Cautionary

The Directors of Company advise all Unitholders that the acquisition of The Edge by Capitalgro may have a material impact on the value of the Company's Linked Units. The Directors therefore advise Unitholders to exercise caution in the trading of the Company's Linked Units and should consult their professional advisers before dealing in the Company's Linked Units until such time as the results of The Edge transaction are known.
